**It's time to learn all about our ANIMAL friends and we want YOU in on the fun!**

*This summer, we will learn about 5 different classes of vertebrates within the animal kingdom. As we explore each class, we'll focus on a couple of specific, representative animals, and learn about their characteristics, habitats, life cycles, and so much more!*

*While learning about all of the amazing animals we can find around the world, we'll also be enjoying some fun summertime activities such as:*

## SWIMMING & WATER DAYS

Soccer

Yoga

Arts & Crafts

STEAM

Gardening

Cooking
